

Tidy Up The Beach

Catherine Brentnall

Verse 1

Taking a walk at the seaside,
I can see treasures galore,
Pebbles and seaweed and seashells,
So many things to explore.
But wait, what's that, a plastic straw?
What's that doing on the shore?
Coffee cups, a bottle top,
Plastic bags, this has to stop!

Chorus

It's time to tidy up the beach,
Make it clean once more.
It's time to pick up all the waste,
That's washed up on the shore.
Making a diff'rence,
Taking the lead,
Some time and care,
Is what our beaches need.

Verse 2

Taking a walk at the seaside,
First I will need to collect,
Bin bags and buckets for rubbish,
Strong shoes and gloves to protect.
Then I'll pick up that plastic straw,
And all the rubbish on the shore,
Coffee cups, a bottle top,
Plastic bags, this has to stop!

Chorus

It's time to tidy up the beach,
Make it clean once more.
It's time to pick up all the waste,
That's washed up on the shore.
Making a diff'rence,
Taking the lead,
Some time and care,
Is what our beaches need.

Part 1

It's time to tidy up the beach,
Make it clean once more.
It's time to pick up all the waste,
That's washed up on the shore.

Making a diff'rence,
Taking the lead,
Some time and care,
Is what our beaches need.
Making a diff'rence,
Taking the lead,
Some time and care,
Is what our beaches need.

Part 2

It's time to tidy up the beach,
Make it clean once more.
It's time to pick up all the waste,
That's washed up on the shore.
Making a change,
Taking good care,

Is what our beaches need.
Making a change,
Taking good care,

Is what our beaches need.
